

Declaration of Conformity according to

DIRECTIVE 2012/19/EU

“Waste Electrical and Electronic Equipment” (WEEE)

The WEEE Directive aims to minimise the amount of material entering the waste stream in order to maximise recovery and recycling.

We the Manufacturer

Schäfter+Kirchhoff GmbH

Kieler Straße 212
22525 Hamburg
Germany

Herewith declare that:

All products subject to the Directive are in conformance with the regulations in force and fulfilling the obligations arising under Directive 2012/19/EU.

The manufacturer shall supply the information required for recycling on request.

The manufacturer shall take care of end-of-life recycling of its products. The costs of collecting the waste from customers sites are not included. Customers may return their products to the manufacturer at their own cost.

Therefore, the products subject to the Directive are marked directly or indirectly (in the manual) with the symbol from Appendix IX of the Directive.

Our products, which are not covered by the Directive, still meet the requirements for recovery, recycling and disposal. These products are not marked with the symbol from Appendix IX of the Directive. Customers may return their products to the manufacturer at their own cost.
