

## Fiber Collimator series 60FC-...-V

Vacuum compatible

### FEATURES

Special, vacuum compatible version of the series [60FC](#) fiber collimators.

- Same choice of lenses such as the standard Series 60FC fiber collimators

## DESCRIPTION

These fiber collimators are a specially modified version of the series [60FC](#) fiber collimators. Unlike the standard version these fiber collimators do not have a label. The individual serial is rather engraved to the housing.

### Selecting the right Optics

Depending on the opticy type these fiber collimators can be even suitable for UHV applications.

Please use the product configurator for our fiber couplers with the pre-selection of the connector type to be FC APC.

Please name the need for the vaccum compatibility

### Example

An example configuration can be found here.
